**A STAINLESS
STEEL FINISH**

FEATURES & BENEFITS

- Offers 30% more tray or basket storage capacity when compared with leading competitor's product, using 2", 4" and 8" modular trays; or 3", 5" and 8" wired baskets.
- Unique design of plastic side panels, combined with pull-out-stoppers, allows modular trays to be extended and viewed at an angle without falling out of the cart.
- Optimize space in trays with adjustable dividers that have a unique clip-in design, to stay in place when heavily loaded
- Available in multiple locking options on DR models - Key lock, E-lock and Keyless entry with audit trail.
- Protective corner bumpers with premium 5" casters, full swivel - two with brake
- Constructed of 20 gauge powder coated steel, stainless steel or aluminum
- Integrated push handles are flush with cart sides
- Multiple door options - tempered glass, solid doors or Rollok® high performance tambour door with aluminum slats
- Ships fully assembled and ready to use with a domestic 12 year manufacturer's warranty.
